**give testimony** - to tell the court what you saw/know

**reach a verdict** - to arrive at a decision about whether a person is guilty or not guilty of a crime

**acquit somebody** - to officially decide that someone is not guilty of a crime

**convict somebody** - to officially decide that someone is guilty of a crime

**In pairs, match the following people with their typical functions and activities in a court of law:**

- |                     |   |
|---------------------|---|
| 1. a defense lawyer | a. argues that someone is guilty of committing a crime  |
| 2. a defendant      | b. gives testimony to the court   |

**Think about a well-known court case. Who was the defendant? What crime was he/she charged with? Did he/she plead guilty or not guilty? Who gave testimony? What was the verdict - did the jury acquit or convict the defendant? What sentence did the judge give?**
