So what are the highlights of Greenland? There will certainly be more than you have time for in one visit, but here is a selection of possibilities. Disko Bay - No, that is not the name of the latest clubbing¹⁰⁰ destination but one of the earliest areas inhabited by settling Icelanders and Norwegians. It is a good place from which to get a boat trip to catch

East-coast Highlights⁹⁹

They recommend that you use the services of a local hiking guide, who will not only help keep you safe⁹⁴ but give you an inside track on⁹⁵ local knowledge and lead you on the optimum route to wonderful scenery⁹⁶. If you do decide to go it alone⁹⁷, you need to be aware of⁹⁸ the risk of getting lost⁹⁹ or caught in¹⁰⁰ sudden¹⁰¹ bad weather that could disorientate¹⁰² and lead to you suffering from¹⁰³ hypothermia¹⁰⁴. (It is said locally that there is no bad weather, only bad clothing). If going walkabout¹⁰⁵, it is advised to have a VHF radio that can make emergency calls⁹⁶ or a GPS device⁹⁷ that can locate⁹⁸ you.
