

Mad About Horror

Horror films might not get the critical acclaim other genres boast, but they're gaining in popularity. You don't want to fall out of the loop by refusing to ride. If the world of horror is new for you, here are the top-grossing films from the world of horror:

I Am Legend - Will Smith takes on zombies during the apocalypse. Grossed over 585 mln dollars.

War of the Worlds - Fans of Tom Cruise will likely enjoy this family-centric alien flick. Grossed 600,000,000 dollars.

The Sixth Sense - A film that many people would hail as having the first modern plot twist. Earned 672,000,000 dollars.

It - From 2017, this movie is credited with kickstarting the present resurgence of horror films. Brought in over 700 mln dollars. //
