

# ChatGPT: Are We Ready?

by Paul Martin, from  
[www.go-native.pl](http://www.go-native.pl)

In November 2022, OpenAI launched a groundbreaking AI chatbot, ChatGPT 3.5, which quickly gained 1 million users in just five days, captivating and concerning users in equal measure. Paul Martin delves into whether a long-promised AI future has finally arrived, and questions our readiness for what may lie ahead.

1 to launch sth to launch, sambyj wypuszczać coś  
na rynek  
2 groundbreaking, przełomowy, przełomowy  
3 AI = artificial intelligence, sztuczna inteligencja  
4 to captivate sb to 'kaptiwować' sambdi urzekac  
5 readiness 'relinas gotowość  
kogoś
