

deliver, picture, across, reference , approach , proceed ,consideration , sleep, chance, long

- Will you take my proposal into

- I willon it

- Shall weto the next point

- First we have to

- By anyhave you seen that groundbreaking innovation

- I haven't comeanything like that before

- Could youme an overview of the latest meeting

- Of course I can put you in the

- Are youto participate in that project

- As as you promise to provide assistance

- Withto your question I am unable to tackle that

- If youthat I will be more than grateful
